

- 4 In the 'Tell us your views' section, which phrases does the reviewer use to make recommendations for changes?
- 5 Read the exam task and think of an exhibition you have been to which would be appropriate for this review.

**EXAM TASK** 

You recently saw this notice on an English-language website:

**Reviews wanted**  
**Don't miss it!**  
 We're looking for reviews of exhibitions or attractions. It could be in a museum, an art gallery or a visitor attraction.  
 Tell us what you went to, what was good about it, and what features could be improved too.  
 The best reviews will be put on our website.

- 6 Make notes about the exhibition. Make recommendations for change using phrases from the Useful Language box.

|                                 |                                     |                                 |
|---------------------------------|-------------------------------------|---------------------------------|
| <p><b>+</b> the plus points</p> | <p><b>-</b> the disappointments</p> | <p><b>+</b> the plus points</p> |
|                                 |                                     |                                 |

**Useful language**

They could look at / think about ...  
 They could try ...  
 What I would do is ...  
 They might want / need (to) ...

- 7 Write your review.

- 8 Swap reviews with a partner and answer the questions.

- a) Would you like to go to this exhibition? Why?  
 b) What changes does the reviewer recommend?  
 c) What phrases are used to make recommendations for change?

If you don't know enough facts for your exam task review, then you can make some up – it doesn't all have to be true!

**Exam tip!**
